

Dunsmuir Scottish Dancers

Are hosting open rehearsals for experienced
Scottish Country dancers.

Tuesdays, 7:30 pm

Are you an energetic & fun loving Scottish Dancer?

Are you interested in building your repertoire while preparing to perform all over the SF Bay Area & sometimes overseas?

Can you dance Argyll Strathspey exceptionally well from a talk through?

As a team player do you generally attempt to make sure everyone has a partner before you get into a set, and do you strive to ask a person who sat out the last dance to be your partner?

Are you NOT afraid of hard work?

Would you rather dance than eat?

If you can answer yes to all these questions then come join us for four
“third position is not optional” evenings starting April 5, 2011.
